ENDURING

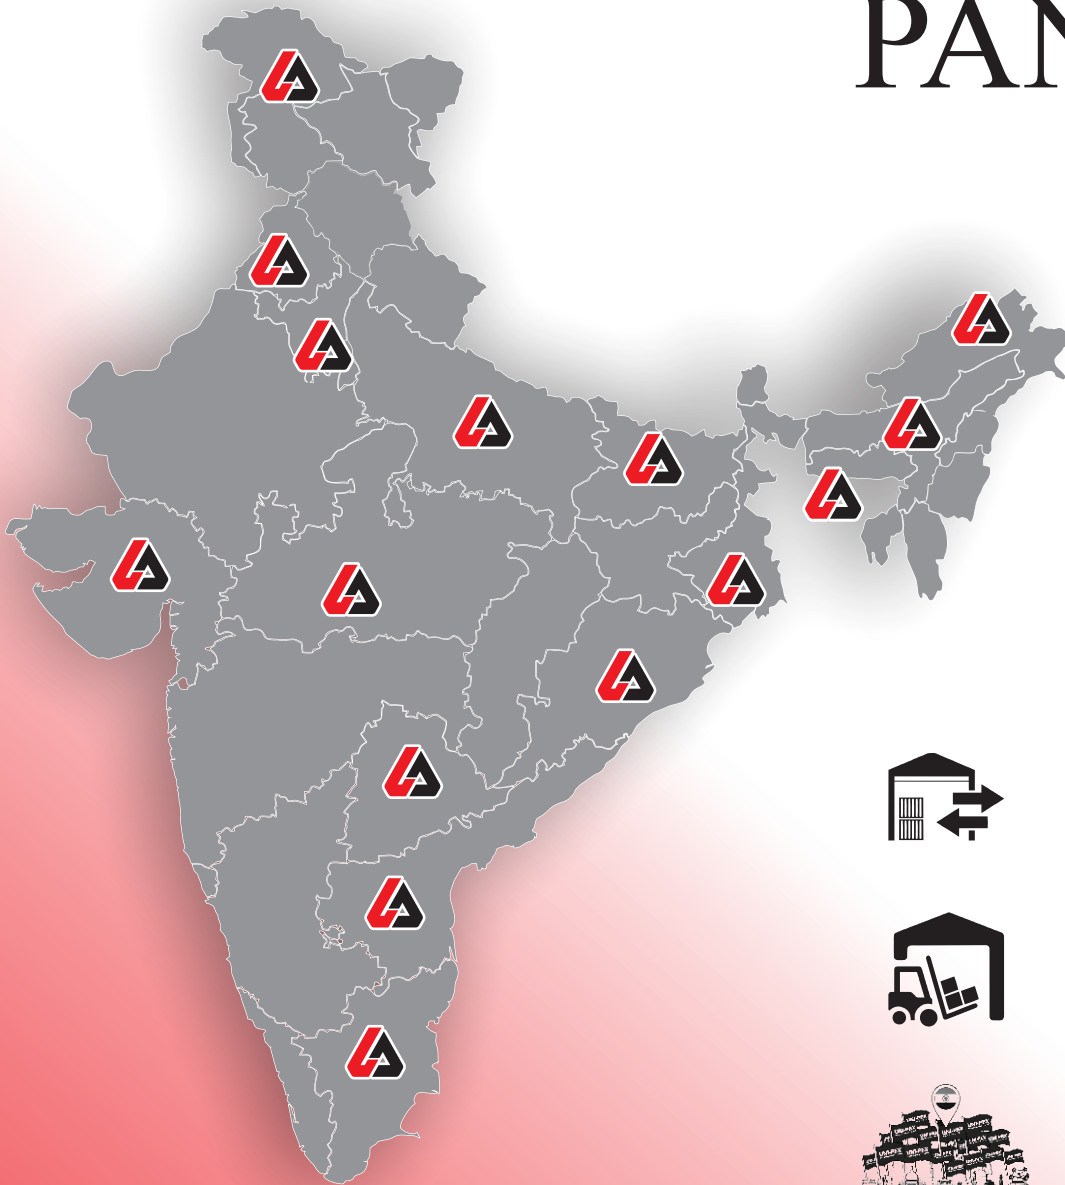

**UNI-PEX Pharmaceuticals** was founded in 1999 with a singular conviction – that pharmaceutical excellence is built through discipline, not shortcuts. Over two decades of regulated manufacturing, scientific precision, and ethical stewardship have shaped **UNI-PEX** into a name relied upon by healthcare professionals across India and international markets. Our legacy is not defined by growth alone, but by consistency – batch after batch, year after year.

## MANUFACTURING EXCELLENCE

- WHO-GMP Compliant production facility
- Strict batch documentation and validation protocols
- Multi-Level quality control system
- Controlled storage & distribution environment
- Advance analytical Instrument including HPLC & UPLC
